2nd SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

Further to the Information Disclosure Statements filed October 3, 2007 and October 5, 2007, the Examiner is respectfully requested to consider the references, copies enclosed, which may qualify as prior art. For the Examiner's convenience, the references are listed on the attached form generated by the Applicant. Pursuant to 37 C.F.R. 1.98(a)(2)(ii), a copy of the cited U.S. patent is not included, but will be provided upon request. A copy of the Japanese patent document is submitted, together with the English abstract which represents Applicant's best understanding of this Japanese language document.

This information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute and the mere use of any form is not an admission that all listed references are prior art. No representation is made that applicants know of the best art.

It is believed that this submission does not require the payment of a fee. If this is not correct, please charge any required fee to Deposit Account No. 07-1969.

Respectfully submitted,

/donnamferber/

Donna M. Ferber, Ph.D.
